"A SCRAP OF PAPER."—A story which was well filled with a rich and cultivated and subtle to witness the presentation of "A Scrap of Paper," for the benefit of the Old Dominion Boat Club. "A Scrap of Paper" is a beautiful comedy drama, full of curious situations and surprising changes, and it was the object of all present that the brightness of the play should be dimmed at the hands of the ladies and gentlemen who brought it out last night. The following was the cast:
 "Prosper Courtenay," Wm. E. Kendall;
 "Baron De L'Esclapart," Geo. A. Nashbrook;
 "Bismarck," John H. Parratt, Jr.;
 "Anselm," Leonard Marbury; "Baptiste," Milton Perry; "Frasco," Richard H. Windsor; "Dante De L'Esclapart," Miss Maria Nease; "Suzanne De L'Esclapart," Miss Mary Winder; "Madame," Miss Mary Winder; "Madame De Zambie," Miss Mary Winder; "Madame Dupont," Miss Mary Winder; "Pauline," Miss Mary Winder.
 All on the stage acted well their parts.
 Mr. Wm. E. Kendall, as "Prosper Courtenay," was awarded frequently with applause for his fine acting. The character was one that required more than ordinary talent, and Mr. Kendall for his faithful representation of it, was well deservedly rated as an extraordinary player.
 Mr. George A. Nashbrook, as "Baron De L'Esclapart," acted with his usual grace and dignity, and divided honors evenly with Mr. Kendall.
 "Bismarck," Mr. John H. Parratt, Jr., as the night previous, surprised the audience with his fine acting.
 "Anselm," Mr. Leonard Marbury, carried off the beautiful "Mathilde," and at the same time his full share of applause.
 Miss Mary Winder sustained the leading and most difficult lady character in the role of "Suzanne De L'Esclapart," (having but once before) with great satisfaction to the audience, as evidenced by the demonstrations of approval and honor to her, showing rare powers of memory.
 Miss Mary Winder, as "Madame De Zambie," was also enthusiastically received.
 Miss Francis Shaw, Miss Mary Smart, and Miss May Wood did well, and were rewarded with beautiful floral offerings, as well as the other ladies and gentlemen.
 The entertainment, which was a most pleasant one, concluded with the "Ladies Speak of Last," repeated by request.
 During the evening the orchestra, under the leadership of Prof. Heyman, discussed some excellent music.
CITY SCHOOL BOARD.—The Board met at 8 o'clock, present: Messrs. W. E. Carne, Fendall, Gregory Herbert, Leabaster, McLean, Snowden, and Whitington, Trustees, and H. I. Carne, Superintendent of Schools. The Chairman being absent, Mr. Snowden was elected chairman, pro tem, and the minutes of the last meeting were read and approved.
 On motion of the Superintendent, the sum of \$180 was appropriated to pay the salary of the new teacher in Snowden school, and \$15 for additional salary of teacher of the Staten Building.
 On motion of Mr. W. E. Carne, the Committee on schoolhouses and furniture was instructed to arrange by means of estimates or otherwise, for the repair of the light on the southern side of the City Building, so as to avoid interfering the eyes of the pupils.
 On motion of the Superintendent, the same committee was authorized to have the curtains repaired or replaced at Staten and Potomac buildings.
 And at 8:15 the Board adjourned.
RELIGIOUS.—Confirmation services will be held in the different Episcopal churches in this city to-morrow, Bishop White presiding at each of them, as follows:
 Grace Church, at 11 a. m.; St. Paul's Church at 4 p. m.; Christ Church at 7:30 p. m.
 Quarterly services, conducted by Rev. Mr. Boyer, P. E., will be held at the M. E. Church to-morrow, commencing at 9 o'clock a. m.
 Rev. B. F. Willoughby, of New York, brother of Judge West Willoughby, of this city, will preach in the First Presbyterian Church to-morrow morning and afternoon, and Rev. James Henderson Smith, of Rockbridge county, Va., will preach to the congregation of the Union Presbyterian Church to-morrow morning and night.
INTERESTING MEETING.—A large and interesting meeting of the Alexandria Reform Club was held last night, at which Mr. George W. Forsyth, of the Theological Seminary, gave some select readings which were greatly enjoyed by all present.
 After a few remarks from Rev. Mr. Boyle, in which he gave the Committee on General Laws of the City Council a thrust for their backwardness in reporting the bills referred to them, providing for a better observance of Sunday in this city, the meeting adjourned.
CONTRIBUTIONS FOR THE POOR.—The boxes for the relief of the poor, for the week ending today, opened this morning, contained the following amounts: Mr. I. Eiberg's, \$4.52; Messrs. Geo. McBarney & Son's, \$3.32; Mr. G. Wm. Ramsay's, 86 cents. Total, with three boxes yet to hear from, \$8.70.
 The Ladies' Union Relief Society also acknowledge contributions from the Episcopal High School, and other sources.

PROPERTY SALES.—Messrs. O'Neal & Lucas, auctioneers, sold to-day in front of the Market House, on Royal street, the following property: A lot of ground with two tenement thereon, situated on the east side of St. Asaph street, between Princess and Orange streets, fronting on St. Asaph street 34 feet, and extending eastwardly in depth 123 feet 5 inches, for the trustees of the German Building Association, for \$900.
 All that lot of ground, with four brick dwellings thereon, situated on the west side of Payne street, between King and Cameron, for Charles C. Stuart, trustee, to Burke & Herbert, for \$1,850.
 Also all that lot of ground with the store house and buildings thereon on the northeast corner of King and West streets running back on West street to an alley, the property of Jas. Briggs, to B. Cranford, for \$500.
SAD DEATH.—Mrs. Anne Clarke Adams, the wife of Mr. Robert L. Adams, of this city, died early this morning after an illness of only thirty days. The funeral services, conducted by Rev. Mr. Sharp, of Grace Church, took place at her late residence, on Duke street, this afternoon, and the remains will be forwarded to Cleveland, Ohio, the former home of the deceased, to-night for interment. Mrs. Adams, during her residence in Alexandria, by her excellent traits of character, made many warm personal friends, and the news of her death will be received with profound sorrow.
 You can make your dinner complete by trying some of the DELICIOUS GREEN PEAS which McBarney & Son have just received.
STEAM VS. MUSCLE.—Two things absolutely necessary to make perfect roasted coffee is uniformity of heat and regularity of motion; these can only be obtained by use of steam. The coffee is clearly shown in hand roasted coffee by its many imperfections. All choice grades of coffee will swell when subjected to uniform heat. McBarney's Steam Roasted Coffee are always the choicest grades. Their daily increased sales is a good proof of superiority of their Steam Roasted Coffee over that roasted by the hand machine and muscle.
 Do you ache? suffer from rheumatism? or neuralgia? S. S. S. will cure you.
FOR THE LEAKS.—Tin Roofing, Gutter and Rain Spout, and all work repaired promptly, by SPANBURY & BRO.
 THE BEST HOME MANUFACTURED TIN WARE and Housefurnishing Goods can be found at SPANBURY'S Central Store House, corner King and Washington streets, (McBarney's Building.)

LOCAL BREVITIES.
 Pleasant weather to-day.
 There were no cases at police headquarters this morning.
 Four vessels left here to-day for the lower Potomac, for cyclists.
 The A. L. J. will hold a meeting on Monday night next, to take final action on the invitation to attend the Insurance March 4.
 The market to-day was only tolerably well supplied. Prices remained unchanged, except for beef which was advanced, and turkeys, for which 18c.00 per lb. was asked.
 The planting mill and dwelling house advertised by T. V. Kishell will be sold at public auction, in front of the market house, on Royal street, on Wednesday, March 2 at 12 o'clock.
 "Tin stills" is the latest invention among Alexandria mechanics. The outfit is very simple and cheap. An ordinary tin can is adapted to each foot by coring, and it seems to afford the greatest delight to "camp" around while thus shod.
 At the session of the commission to enlist boys for the United States Navy, at the Custom House in this city to-day but one boy, John O. Farish, of Culpeper county, out of a number of applicants, passed the examination. He will be sworn in on Monday next. The commission adjourned this afternoon, and the Senators will proceed to Washington.
COMMERCIAL.
 ALEXANDRIA MARKET, February 26, 1881.—
 The market to-day is fairly active. Flour is steady at last quotations. The receipts of Wheat have somewhat improved and to-day 3363 bushels of Fultz were sold at 105, 110, 112, 113 and 115 as to quality; no Lancaster was offered. Corn is firm and a shade higher; about 800 bushels of white sold at 61, 61 1/2 and 62. No sales of Rye or Oats reported.
